HAWKINS WATTS APPOINTED AUSTRALASIAN AGENTS FOR KEMIN FOOD INGREDIENTS

Hawkins Watts Australia Pty Ltd and Hawkins Watts Ltd in New Zealand have been appointed agents for Kemin Food Ingredients for Australia and New Zealand, effective from the 1st January 2009.

USA-based Kemin Food Ingredients offers a comprehensive range of antioxidants and food protectants, including the FORTIUM® range of natural antioxidants, EN-HANCE™ range of synthetic antioxidants and the SHIELD® range of antimicrobial systems.

The Kemin Food Ingredients operation in Singapore provides made-to order antioxidant recommendations based on chemical analysis and technical trials on customer products.

“The Kemin range perfectly compliments our existing product range and allows us to extend our technical service to our customers” said HWA’s Sales Director. “More and more customers are looking for natural ingredient options to enhance product quality and shelf life. The unique service from Kemin Singapore, and with support from their worldwide technical team, will allow us to respond quickly and provide cost effective antioxidant solutions.”
